WELCOME

User friendly interface, easily comprehensible FAQs and tool tips will help you navigate through the screens with ease. Portal is divided into various sections :-

Profile – Here you get an insight to your personal and employment information. You will have the rights to make/initiate changes to this information. Tool tips have been provided in the relevant fields to guide you through the process of making changes. Guideline Tab in profile section gives information on the types of changes you can do and attach documentation for the same.

HRIS – HRIS will be accessible to people managers. Managers will be able to view the profile information of their team in this section.

Leave & Attendance – This module is accessible for all employees. You can view leave balances and raise leave request under this section. Managers will be able to view / approve / reject leave requests initiated by their teams.

We wish you a wonderful experience.

IMPORTANT LINKS

MyDocuments

WELCOME

With great pleasure we launch the new HRMS and hope that you would find it helpful. The user manual of this HRMS is available under "Important Links" on the first screen once you login to the system. Please feel free to get in touch with your HR representative in case you need any assistance. This portal is divided into various sections :-

Profile – Here you get an insight to your personal and employment information. You will have the rights to make/initiate changes to this information with necessary approvals.

HRIS – HRIS will be accessible to Managers. Managers will be able to view the profile information of their team in this section. All profile change requests of the team will be routed to the HR Team for approval.

Leave & Attendance – You can view leave balance and raise leave request under this section. Managers will be able to view / approve / reject leave requests initiated by their team members.

We wish you a wonderful experience!!
